SHRI BHUPENDRA PATEL
Hon'ble Chief Minister of Gujarat

“ For over two decades, Gujarat has demonstrated that visionary leadership, policy continuity and responsive governance can transform aspirations into achievements. Conceived under the visionary leadership of Hon'ble Prime Minister Shri Narendra Modi, the Vibrant Gujarat Global Summit has evolved into a defining platform for global investment, innovation and collaboration, shaping Gujarat into a preferred global investment destination. As India advances towards the vision of Viksit Bharat @2047, Gujarat is committed to driving innovation, enterprise and inclusive economic growth, creating opportunities even at regional level. Vibrant Gujarat Regional Conferences have taken forward the spirit of regional aspirations, global ambitions. As we aspire towards Viksit Gujarat se Viksit Bharat, I invite you all to the 11th edition of the Vibrant Gujarat Global Summit, where Gujarat and the world will come together to ideate, innovate, collaborate and create shared prosperity. ”

SHRI NARENDRA MODI
Hon'ble Prime Minister of India

“ Whenever the stage of the Vibrant Gujarat Summit is set, I do not see it merely as a summit. I see the journey of modern India in the 21st century - a journey that began with a dream and has now reached an unshakable trust. In two decades, this journey of Vibrant Gujarat has become a global benchmark. Ten editions have already been held, and with each edition, the identity and role of this summit have grown stronger.

I have been associated with the vision of the Vibrant Gujarat Summit since its very inception. In the early days, our aim was to make the world aware of Gujarat's potential, to invite people here, to encourage investment - so that India would benefit, and global investors too would benefit. But today, this summit has gone beyond investment; it has become a strong platform for global growth, international cooperation, and partnerships. Over the years, the number of global partners has steadily increased, and with time, this summit has also become a great example of inclusion. Here, corporate groups, cooperatives, MSMEs, start-ups, multilateral and bilateral organisations, international financial institutions - all come together, engage in dialogue, deliberate, and walk shoulder to shoulder with Gujarat's development. Over the past two decades, the Vibrant Gujarat Summit has consistently introduced something new, something special. ”
